STEPS OF THE ACCREDITATION PROCEDURE CARRIED OUT ACCORDING TO THE WFME STANDARDS

month - 10	• The rector of the medical school submits to MAB an application for accreditation according to the WFME standards.
months -10-9	• MAB and the medical school hold a consultation to discuss the procedure and the date of the site visit.
months -8-9	• The contract is concluded.
month -4	• The medical school submits its self-evaluation to MAB (electronically and on paper).
month -4	• The self-evaluation is checked in terms of form (within 15 days after submission).
months -3-4	• Shortcomings are corrected and the corrected self-evaluation is submitted within 15 to 30 days.
week -2	• The agenda of the site visit is sent to the medical school.
month 0	• **SITE VISIT**
months 0-6	• An accreditation report is prepared by the site-visit team and discussed by the Committee of Medical and Health Sciences.
months 0-6	• The report is sent to the medical school. The school may submit observations (on errors of fact, if any) within 30 days.
month +7	• The report is finalised (following corrections, if any).
months +7-8	• The report is discussed at Board level. • **CONCLUSION OF PROCEDURE BY BOARD DECISION**
