Only the maximum or zero points may be awarded for the minimum condition to be fulfilled. If the minimum requirement is not met (it is worth zero points), then for the particular section (e.g. 1a.2.) no additional points can be awarded, the entire section (eg. 1a.2.) is to be evaluated at zero points.

EVALUATION SHEET FOR UNIVERSITY PROFESSOR APPLICATIONS		
Business and management sciences, Economics, Regional sciences Social Sciences – Economics		
MAB code: E.....	Name and institution of Applicant	
Assessment criteria		
I. Higher education activities (maximum score)	100	
1a.1. Teaching experience	Maximum score	Score obtained
<p><b>Minimum requirement* (10 points):</b> The Applicant is required to have taught at least 800 contact hours (including at least 100 hours of lectures) at any higher education institution during the ten active years preceding the submission of the Application. The teaching activity must be certified by the Applicant's direct superior, and the relevant student feedback results for at least the last five active years must be provided. In the absence of student feedback, the assessment of the Applicant's direct supervisor is also acceptable.</p> <p><b><sup>1</sup>Foreign Applicants:</b> proof of contact hours does not need to come from the Applicant's direct superior. Instead, other acceptable forms of verification from their country can be used. For example, this might include a certificate from the dean's office or a detailed list of courses making up the contact hours, which must include the course titles, the institution/faculty/subject names, the level of education (bachelor, master, doctoral), and the dates.</p> <p>With respect to student feedback on teaching activity, the information resulting from the processes of the given country must be taken into account.</p>	10	
<p><b>Points for teaching activities:</b> 20 points are given for 1000 contact hours, 30 points for 1200 contact hours, 40 points for 1400 contact hours, and 50 points for 1600 contact hours. For educational performance (1a.1.), the minimum requirement is 800 contact hours (including 100 hours of lectures), for which the Applicant is given 10 points. For 1600 contact hours (including 200 hours of lectures), a maximum of 50 points may be given. Between the maximum and the minimum, the score is determined proportionally and must be rounded to the nearest whole number.</p> <p>A maximum of 25 (10+15) points may be given for contact hours where the Applicant did not attach student feedback or where student feedback result was</p>	40	

<sup>1</sup>**Foreign Applicants are:** a) Applicants who are not Hungarian citizens, and b) Applicants who are Hungarian citizens working abroad on a long-term basis (more than five years).

below 3.50. In the absence of student feedback, the assessment of the Applicant's direct superior is also acceptable.		
<b>1a.2. Supervising the academic and scientific work of students</b> <u><b>Minimum requirement* (5 points):</b></u> The Applicant is required to have supervised at least ten theses, or TDK theses (co-supervision is worth a multiplier of 0.5 points). <div style="border: 1px solid black; padding: 5px; margin-top: 5px;"> <u><b>Foreign Applicants:</b></u> student talent development activity (instead of TDK supervision).         </div>	5	
<u><b>Additional points may be given for:</b></u> Ten more examples of supervising activities of theses, consultation.	5

<b>1a.3. Lectures, practice sessions and seminars delivered in a foreign language at graduate and/or postgraduate level or at any level of learning in the Bologna system.</b>	Maximum score	Score obtained
<u><b>Minimum requirement* (5 points):</b></u> The Applicant is required to have delivered at least 80 contact hours (including guest teaching assignments) up to the date of submission of the application, as certified by the Applicant's direct superior. <div style="border: 1px solid black; padding: 5px; margin-top: 5px;"> <u><b>Foreign Applicants:</b></u> in the case of non-native English speakers, the “foreign language” criterion may be replaced by a language relevant to international scientific communication (which is foreign to the Applicant). In the case of native English-speaking Applicants, since the language of international scientific communication is English today, giving lectures, practice sessions, or seminars in another language is not a requirement. Teaching activities as an invited or visiting lecturer conducted at a university outside the Applicant's country may be accepted, but 80 hours is not a minimum requirement.         </div>	5	
<u><b>Additional points may be given for:</b></u> The delivery of an additional 80 contact hours.	5
