

EVALUATION SHEET FOR UNIVERSITY PROFESSOR APPLICATIONS				
In the discipline of Humanities ¹ (with the exception of applications in Educational sciences or Psychology).				
MAB code: E.....	<i>Name and institution of applicant</i>			
Evaluation criteria				
I. Higher education activities (maximum score)	100			
1a.1 Teaching experience	Maximum score	Score obtained		
<p><i>Minimum requirement* (10 points):</i> The applicant is required to have taught at least 800 contact hours (including at least 100 hours of lectures) in any higher education institution during the ten years preceding the submission of the application. The teaching activity must be certified by the applicant's direct superior, and the relevant student feedback results must be provided.</p> <p><i>Special criteria for the minimum requirement:</i> Experience in higher education may include lectures, seminars, practice sessions, consultations and, in case of summer practice, sixth-year practice and tutorial activities in vocational education and training, an additional two contact hours per week, irrespectively of the number of students. At least 100 hours of the latter must fall within the five years preceding the submission of the application.</p> <div style="border: 1px solid black; padding: 5px; margin: 5px 0;"> <p><i>In the case of foreign applicants:</i> instead of the applicant's superior certifying the contact hours taught, other means of proof used in the particular country are also admissible. For example, a certificate from the dean's office, or an itemised list of the courses which yielded the contact hours stating the course titles, the name of the institution/faculty/subject, the level of education (bachelor, master, doctoral), and the date.</p> <p>With respect to student feedback on teaching activity, the information resulting from the processes of the given country must be taken into account.</p> </div>			10	
<p><i>Scoring of teaching activities:</i> 20 points are given for 1000 contact hours, 30 points for 1200 contact hours, 40 points for 1400 contact hours, and 50 points for 1600 contact hours.</p> <p>With respect to teaching activities (1a.1), the minimum requirement is 800 contact hours (including 100 hours of lectures), for which the applicant is given 10 points. For 1600 contact hours (including 200 hours of lectures), a maximum of 50 points may be given. Between the maximum and the minimum, the score is determined proportionally and must be rounded to the nearest whole number.</p>			40	

¹Applications in the field of religious studies fall in the purview of Humanities if the applicant's scientific work leans toward the following: religious philosophy, history of religion, religious ethnography, religious psychology or the teaching of religion. In this case the application is assessed on the basis of the criteria applicable to the appropriate discipline (Department 1 for Linguistics and Literature and Department 2 for Philosophy and History of the Hungarian Academy of Sciences.). Applications leaning toward religious sociology or religious politics etc. are assessed on the basis of the criteria specified by the Committee on Social Sciences (Department 9 for Economics and Law of the Hungarian Academy of Sciences). For any application in the field of religious science, the applicant's scientific and teaching activities must be addressed in the context of religious science, in addition to the criteria applicable to humanities or social sciences

A maximum of 25 (10+15) points may be given for contact hours where the applicant did not attach student feedback or where student feedback result was below 3.50.		
1a.2 Leading the academic and scientific work of students Minimum requirement* (5 points): The applicant is required to have supervised at least ten theses and/or dissertations, or been a consultant to papers presented at conferences of student research and art societies (co-supervision is worth 0.5 point).	5	
<p><i>Special criteria:</i> Prize-winning TDK and OTDK presentations (2 points each), supervision of TDK and OTDK papers (1 point each), joint publication with students in peer reviewed journals (2 points if in Hungarian, 4 points if in international journals).</p> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> <p>Special criteria for foreign applicants: student talent development activity may be given 1 or 2 points per item, depending on whether the talent development activity takes place domestically (1 point per item), or at an international level, or has received awards (2 points per item), results in joint peer-reviewed publication with students (2 points for domestic, 4 points for international publication).</p> </div>	5

1a.3 Lectures, practice sessions and seminars delivered in a foreign language at graduate and/or postgraduate level or at any level of learning in the Bologna system.	Maximum score	Score obtained
<p>Minimum requirement* (5 points): The applicant is required to have delivered at least 80 contact hours (including guest teaching assignments at foreign higher education institutions) up to the date of submission of the application, as certified by the applicant's direct superior.</p> <p>Special criteria for the minimum requirement: The following count toward teaching in a foreign language in higher education:</p> <ul style="list-style-type: none"> - up to 80 hours taught in the Erasmus or Ceepus programmes (only in case of staff and if the language of instruction is a foreign language); - teaching foreign Erasmus students; - co-tutelle; - invitations to deliver lectures at foreign universities (one lecture per university); - teaching assignments at foreign universities (one semester per university). <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> <p>In the case of foreign applicants: in the case of non-native English speakers, the “foreign language” criterion may be replaced by a language relevant to international scientific communication (which is foreign to the applicant). In the case of native English-speaking applicants, since English is the language of international scientific communication, giving lectures, practice sessions, or seminars in another language is not a requirement. Teaching activities as an invited or visiting lecturer conducted at a university outside the applicant’s country may be accepted, but 80 hours are not a minimum requirement.</p> </div>	5	

<i>Additional points may be given for:</i> The delivery of an additional 80 contact hours.		5

II. Scientific activities (maximum score)		100	
2a.1 <u>Outstanding scientific or research work</u> (up to the submission of the application)		Maxim um score	Score obtain ed

<p>Internationally recognised, outstanding scientific achievements.</p> <p><u>Minimum requirement* (25 points):</u> The applicant must be the author (sole, first, last or corresponding) of at least two foreign language articles published in Q1 or Q2 journals, or of at least two book chapters published in a foreign language in a peer reviewed collection of papers by a recognised international publisher, or of at least one monograph published by a recognised international publisher. Recognised international publisher refers to a domestic or international publisher that has a peer reviewed international journal classified as Q1 or Q2 or recognised by the scientific committees of the Hungarian Academy of Sciences, or has peer reviewed publications/book series on technical subjects with a high rate of citation in the field. In fields where classification of journals as Q1 or Q2 is not relevant, papers published in peer reviewed international journals that are leading journals in the relevant branch of science and are accepted by the scientific committees of the Hungarian Academy of Sciences and listed on the website of the Doctoral Council of the Hungarian Academy of Sciences, may also be taken into account. The applicant must be the sole author of at least one peer reviewed monograph, which must be different from the applicant’s PhD dissertation (this may be the same as the monograph mentioned under the common criteria applicable to all disciplines).</p> <p>Peer reviewed papers are papers that are at least about 8 pages (about 20,000 characters) long, are classified as ‘scientific works’ in the MTMT database, include notes and citations to technical literature, and are not listed in the lines ‘conference proceedings’ or ‘other scientific works’ in the summary table of the MTMT. The category does not include editor’s foreword, essays, or reviews of books or journal articles.</p> <p><u>Special criteria for the minimum requirement:</u> The applicant must be the author of at least 48 peer reviewed papers, including at least ten peer reviewed papers written in a foreign language and published in a peer reviewed volume or journal. At least four of these must have been published by a foreign publisher, and there must be at least 125 independent citations to the applicant’s scientific publications registered in the MTMT database.</p>	25	
<p><u>Additional points that may be given:</u> additional Q1 or Q2 paper (2 points), monography (4 points) (for a maximum of 8 points); 4 more peer reviewed papers (2 points, for a maximum of 6 points); additional foreign language paper (1 point, for a maximum of 5 points); additional citations (2 points for 10 citations, for a maximum of 6 points).</p> <div style="border: 1px solid black; padding: 5px; margin: 10px 0;"> <p><u>In the case of foreign applicants:</u> the criteria “foreign language” and “foreign publisher” can be met by a work published in an international journal or by an internationally renowned publisher. In the case of native English-speaking applicants, publication in another language is not required. In the case of non-native English speaking applicants, publication in a (foreign) language relevant to international scientific communication is required.</p> </div> <p>Applicants who obtained the title Doctor of the Hungarian Academy of Sciences no more than 10 years before submission of the application are considered to have met the criteria for outstanding scientific or research work (2a.1) and are to be given the maximum number of points (25+25).</p>	25

2a.2 <u>Leading the scientific work of young academics, participation in doctoral training as a thesis supervisor</u>	Maximum score	Score obtained
<p><u>Minimum requirement* (5 points):</u> The applicant has been a thesis supervisor to at least one doctoral student who has obtained his/her doctoral degree (as confirmed by the doktori.hu website). Where there is no PhD training, the assessment must take into account the applicant's achievements in the education of the next generation of scholars, but the requirement regarding the number of PhD students who obtained a doctoral degree under the supervision of the applicant is not applicable.</p>	5	
<p><u>Additional points may be given for:</u> Additional PhD students and/or postdoctoral fellows supervised by the applicant (5 points each)</p> <p>In addition to the points given for a student who has obtained his/her doctoral degree, 3 additional points may be given for each currently supervised doctoral student and doctoral candidate, registered by the doctoral school, who are recorded by name in the database of the National Doctoral Council, including the expected year of obtaining their pre-degree certificate and degree.</p>	15	
<p><u>2a.3 Minimum requirement* (5 points):</u> Substantial influence on the work of young academics, creation of an intellectual hub, which is publicly recognised by the professional community (e.g. head or founder of a research team). <u>Special criteria for the minimum requirement:</u> Creation of an intellectual hub within a college for advanced studies (2 points), master teacher's gold medal (4 points).</p> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> <p><u>In the case of foreign applicants:</u> creation of an intellectual hub within a college for advanced studies, and a master teacher's gold medal can be substituted for other student talent development activities, as well as prizes and awards (which, however, cannot be the same as those related to teaching activities listed under item 1a.2, e.g. activities substituted for activities related to TDK/OTDK).</p> </div>	5	
<p><u>2a.4 Minimum requirement* (5 points):</u> Activity in the professional public sphere (e.g. as head or member of a professional committee at a university, as external member of a committee at another university, as member of a non-university professional body, as member of a university senate or faculty council, or as head or member of a professional committee at a university).</p>	5
